The Bryant One-Year MBA offers an intensive real-world education designed for students with limited professional experience. Bryant MBA graduates possess the knowledge and skills to meet the challenges of today’s global business marketplace. Students build an interdisciplinary foundation and then develop a strategic specialization in an area that is in high demand. Business theory is balanced with practical, hands-on activities that bring the topics to life and prepare you to apply what you have learned in your chosen profession.

Bryant faculty members are highly credentialed educators with real-world experience who teach the most current business theory and industry best practices. At Bryant, professors welcome and encourage interaction and collaboration.

**Specialize your MBA in one of three areas:**
- Global finance
- Global supply chain management
- International business

**Gain understanding of:**
- Functional and strategic areas of business
- Team-building
- Communication and leadership

**SHORT-TERM INVESTMENT:**
**LIFELONG SUCCESS**
The one-year, full-time program provides students with a comprehensive understanding of:
- Functional and strategic areas of business, including: accounting, finance, management, marketing, operations, and technology
- Communication and leadership skills
- Team-building

**THE NETWORK**
All Bryant One-Year MBA students are members of a cohort, moving through the entire program with the same group of students. This community of peers will offer support and encouragement – and become the foundation of a professional network. Upon graduation, students join a 40,000+ alumni community that includes industry leaders across the country and around the world.

**WHAT SETS US APART**
In addition to the coursework that will focus on the functional and strategic areas of business, Bryant provides two distinct experiences are included in the program that will prepare you for the responsibilities of leadership.

**MBA Business Practicum:** A team-based experience where students solve real business problems in a corporate environment. Industry executives serve as mentors throughout the course and beyond. The skills you build and the relationships you develop during the practicum will set you apart in the competitive marketplace.

**GLOBAL IMMERSION**
Successful leaders understand that all business is global. Bryant MBA students will gain an appreciation for what it takes to achieve success in the global marketplace. In addition to the internationally focused curriculum, the One-Year MBA program features the Global Immersion Experience (GIE) for all students.

In January, you will travel abroad with your colleagues to meet with senior executives at international firms and/or governmental agencies. Through the GIE you will gain another advantage that will differentiate you.
