

# MBA THE BRYANT MBA TWO-YEAR PROGRAM

The Bryant University Two-Year MBA program is designed for the experienced professional who can benefit from a full-time MBA experience delivered on a part-time basis.

You want an MBA experience where you can develop a close network of select, accomplished professionals. You want a rigorous academic program that is widely respected for the caliber of its graduates. You want the faculty, facilities, and technology that will prepare you to achieve your goals and enrich your life.

Bryant's distinctive MBA enables you to continue to meet the demands of your career and other commitments while you earn this highly valued degree from one of the oldest business schools in the nation. Bryant's long tradition of demonstrating strategic vision, innovation, and academic excellence in business has consistently prepared its graduates to succeed.

As you plan your career path, whether it is as a leader in the arts, finance, government, health-care, public service, publishing, manufacturing, or retail, the Bryant MBA is a smart and effective way to realize your personal and professional ambitions.

*"For us, teaching is a passion, not just a profession. Our students are hungry to learn and we are committed to helping them become better leaders."*

### GLOBAL NETWORK

All Bryant Two-Year MBA students are members of a cohort, moving through the entire program with the same group of students. This community of peers will offer support and encouragement – and become the foundation of a professional network.

Upon graduation, you join a 40,000+ alumni community that includes industry leaders across the country and around the world. Mentors, both alumni and faculty, and the award-winning Amica Center for Career Education will be valuable resources throughout your career.

### WHAT SETS US APART

Bryant MBA graduates possess the knowledge and skills to meet the challenges of today's global business marketplace.

**Global Immersion Experience** (optional for Two-Year MBA students): A three-credit course with a 10 to 12 day international travel component. Students take pre-departure sessions in the fall then, in January, travel abroad to meet with senior executives at international firms and/or government agencies.

Through the GIE, you will gain an appreciation for what it takes to achieve success in the global marketplace.

### BE IN DEMAND

When you complete the Bryant MBA program, you will be able to:

- Develop successful business strategies because you have expertise in each business discipline and a multidisciplinary understanding of business management
- Effectively and efficiently manage financial, technical, and human resources
- Evaluate cross-functional business processes through an understanding of relevant metrics and data
- Lead, manage, and participate in successful teams
- Make critical decisions that positively impact the organization as a whole because you have a comprehensive view of business
