BE IN DEMAND WITH A PRESTIGIOUS BRYANT UNIVERSITY MBA, **NOW OFFERED ONLINE**

The Bryant Professional MBA online is Rhode Island's first fully-online MBA from an AACSB-accredited institution. Our top-ranked programs are proven, the schedule is flexible, and our competitive tuition delivers exceptional value.

The Bryant Professional MBA online was designed for working professionals seeking to advance their careers and enhance the performance of their organizations by building leadership skills and knowledge. Bryant's dedicated faculty successfully equip students with the analytical, technological, and interpersonal skills required to meet the challenges of working in a

diverse and global marketplace. Through the Professional MBA, students will develop an understanding of foundational business knowledge; learn how to apply this knowledge to evaluating, analyzing, and solving business problems; and develop expertise in combining values-based leadership decision-making with business problem-solving.

➤ Adjust the self-paced schedule, *featuring five start times each year* and no prescribed course sequence, to meet your needs. Complete the 10-course program in as little as one year while working full-time and balancing personal commitments.

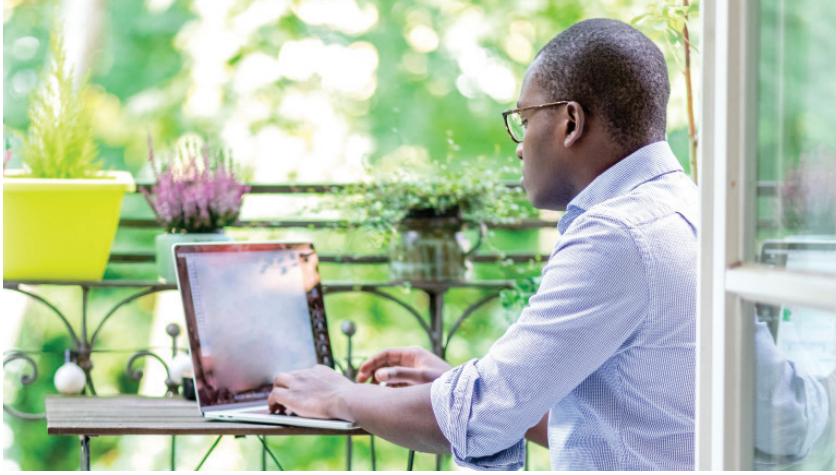

➤ *Gain highly marketable credentials and skills with streamlined access.* The Professional MBA online offers a GMAT waiver with qualified work experience and total tuition is less than \$22,000.

➤ Benefit from *the same personal attention, world-class resources, and award-winning facilities* that have distinguished Bryant's Graduate School of Business since the Bryant MBA was first introduced in 1969.

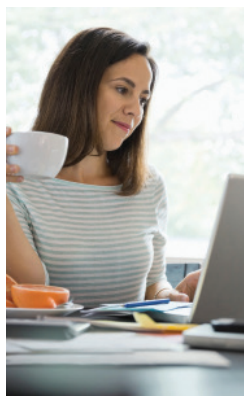

“Bryant University's business programs are consistently recognized and ranked among the very best in the country, and we continue to enhance and strengthen them to be aligned with industry needs and students' professional aspirations.”

MADAN ANNAVARJULA, Ph.D., Dean of the College of Business,
2018 International Trade Educator of the Year, NASBITE International
